Dear Gene:

**National Emission Standards for Hazardous Air Pollutants (NESHAP) Compliance Status Report**

The enclosed report and schedule reflects the actions taken during the month of July 1994, and future corrective actions for items noted in the United States Environmental Protection Agency's report concerning the March 16 through 19, 1993, NESHAP Compliance inspection.

Items five and six were closed during this reporting period. Monthly status reports will continue to be submitted until all outstanding issues are complete to assure compliance with 40 C.F.R. 61, Subpart H (NESHAP), and your request of January 5, 1994 (EO 23-5748).

If you have any questions regarding this matter, please contact Mark Swearingen of my staff at extension 2046.

Sincerely,

T. David Taylor  
MMES Site Manager
